

Jimmie E. Tucker,
AIA, NOMA,
NCARB

Principal

Mr. Tucker, a founding Principal of Self Tucker Architects, Inc., has over twenty-five years experience as a Planner, Architect and Project Manager. His experience includes all aspects of project design and management for commercial, residential, educational, civic and cultural projects. His experience ranges from renovation to new construction, with a current emphasis on sustainability. In addition to his planning and architectural expertise, he has a strong interest in real estate development.

Jimmie's preference is to be involved in projects from initial concept through completion. He strives to lead STA toward increased opportunities for design influence. He also strives to keep the entire project team focused on the clients desired outcome, hence the emphasis at STA in keeping "Clients First".

Jimmie is a native Memphian and has focused his work at STA toward rebuilding downtown and revitalizing neighborhoods. As a result, STA has successfully delivered numerous projects that have had a positive impact on the communities in which they are built. His project experience includes:

- College Park , Uptown & University Place Hope VI Initiatives
- Fed Ex Forum
- Hickory Hill Community Center
- Planning and Technical Consultant for Memphis City Schools
- STAX Academy & Museum
- Universal Life Building Renovation
- Whitehaven Visitor Center
